GOLDEN ACRE ,ST JAMES ,BARBADOS

GOLDEN ACRE , 3 BEDROOMS , 2.5 BATHROOMS
PRICE : \$375,000 USD

OVERVIEW

Golden Acre is a newly built development in St. James, opposite the popular Lone Star restaurant and Juju's beach club. This low density development features fifteen town-houses with each town-house accommodating 3 bedrooms across its two storey design.

The master suite features a walk-in closet and ensuite bathroom while the other two bedrooms share a bathroom. All bedrooms are located on the upper level and feature air conditioning. The open plan kitchen, dining and living areas are located on the lower level along with a covered terrace.

The town houses feature high end finishes such as coral render walls and stone counter-tops. Residents at Golden Acre gain access to the tranquil swimming pool and allocated parking in the development. Appliances are included with your purchase. Golden Acre is located in close proximity to a wide variety of amenities including both Speightstown and Holetown. Banks, supermarkets, gas stations, shopping centres and restaurants are a short drive away.

Prices start from US\$414,500.
