TANTALUS ,BEACH FRONT ,BARBADOS

TANTALUS , 10 BEDROOMS , 9.5 BATHROOMS
PRICE : \$4,440,000 USD

OVERVIEW

Situated on the fantastic Brighton Beach, offering approximately 91 ft. of beach frontage and excellent swimming, this magnificent West Coast villa consists of a total of 10 bedrooms and 11 bathrooms over 3 levels, a separate cottage, a large swimming pool and covered parking.

The first level boasts a spacious open-plan design comprising 4-bed/5-bath, top of the line kitchen with stainless steel appliances and a spacious living/dining area that opens out to a covered patio through large bi-folding French glass doors - the ideal setting for Caribbean living.

Travertine marble and warm pine floors complete this level throughout.

The second floor is also open-plan and is accessed by a staircase from the pool at the side of the house. With one guest suite on this level, there is also a large verandah, private jacuzzi and indoor and outdoor dining areas.

The master en suite is situated on the third level along with the remaining bedrooms, and commands breath-taking views of the Caribbean Sea and mature gardens below – an additional cottage is also available on the same grounds and can be used as an office or self-contained apartment if desired.

This residence offers superb location and is within close proximity to the West and South Coasts, ABC

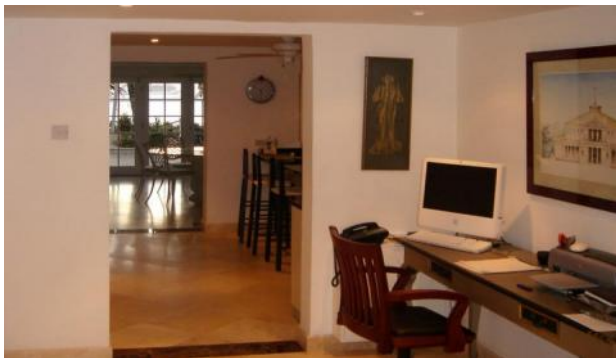

Highway and Warrens hub.

Tantalus is fully gated, has electronic gates and intercom entry. A superbly versatile option that can be bought purely as an investment due to its healthy rental income or as a magnificent beach front site for a bespoke residential home.
