

VILLA JOLIEN ,ANTIGUA

VILLA JOLIEN , 4 BEDROOMS , 4 - 4.5 BATHROOMS

OVERVIEW

Villa Jolien is a beautiful 4 bedroom villa in Antigua. It is set in a peaceful location on the north finger of Jolly Harbour, Antigua.

Villa Jolien offers luxury in a lovely, seafront setting. It is just a short drive to the harbour. Here you will find an abundance of filled shops, restaurants and bars.

This perfect spot on the west coast of Antigua is on the edge of a small beach. On the other side of the bay you will also find the fabulous Jolly Harbour Beach.

Villa Jolien is a spacious, beautifully decorated private home. It is designed so that it is all on one level.

There is a stunning outdoor area. This is furnished with a dining table, sitting area with sofas and a coffee table. There is a BBQ here too and hammock style chairs. To top it off there is a warm Jacuzzi tub, lounge chairs and an outdoor shower. All this is set in front of the beach and the wonderful Caribbean Sea.

Inside there is a pretty feature garden in the middle of the hallway.

The open-plan living and dining room leads to a fully equipped kitchen.

The dining room table comfortably seats 8 guests.

The living room is comfortably furnished with sofas and coffee table. There is Cable TV so you can relax

when you wish to retreat from the sunshine. There is an office desk if needed and a guest bathroom.

Another wonderful sitting area is located close to the large windows that open out to the terrace.

The kitchen offers a spacious island in the middle. This has an electrical cooktop and working space. Another island in the corner provides extra cooking space. The kitchen is equipped with professional appliances. These include spacious fridge, freezer and oven. There is also a microwave, dishwasher and wine cooler. Smaller appliances are included such as American coffee machine and Nespresso machine. There is a toaster, blender and more. Behind the kitchen is the laundry room. This is equipped with washer and dryer for the use of the guests.

Bedrooms

Each of the beautiful bedrooms has its own private bathroom, air-conditioning and ceiling fan. There is plenty of wardrobe space in all bedrooms.

There are 3 bedrooms with king size beds and one with twin beds, ideal for children.

Each bathroom has a shower and the master bedroom also has a bathtub.

Villa Jolien is perfect for a group of friends or small family. It is a wonderful villa from which to enjoy the unique aspects of a luxurious Antiguan private villa holiday.

Jolly Harbour is a marina and gated community of private villas and apartments. It has security and an array of restaurants, bars and shops. There is easy access to watersports and dining. There is also a sports centre with tennis courts and of course the famous 1 mile Jolly Harbour Beach. This is all located on the west coast with fabulous sunsets.

Car hire is recommended. However, if you are not planning to go far, a golf buggy hire is a great way to drive to the amenities.
