CRYSTAL DREAM ,ST BARTHS

CRYSTAL DREAM , 1 - 3 BEDROOMS , 2 BATHROOMS

OVERVIEW

Crystal Dream is a fabulous 3 bedroom beachfront villa, in the sought after location. Picture yourself on the first morning, taking a pre-breakfast walk on the beach, right in front of the villa, followed by a refreshing swim in the Baie de St Jean.

The villa is a single storey, with a central living area, TV, DVD, and a fully equipped kitchen overlooking the pool. Dining is a pleasurable experience, either on the terrace looking out to the beach, alongside the pool, where there is also a BBQ or in the internal courtyard dining area.

Surrounding the pool is a spacious wooden decked area to relax and take in the sunshine or relaxing with a good book. There are 3 bedrooms, each air-conditioned, 2 with King beds that share a bathroom and the third with a 4 poster king bed, en-suite bathroom and sea-view. This is the ideal villa for those people who enjoy the sounds of the waves from the beach and the beautiful ocean views.
