VILLA DE LA MER , 4 BEDROOMS , 4 BATHROOMS

OVERVIEW

Villa de la Mer is a gorgeous, 4 bedroom luxury villa with a perfect position, having direct access to the sea and beach at La Plage du Vergeron. Situated in a peaceful residential / gated community yet just 15 minutes' drive will bring you to the famous Pampelonne beaches and trendy St. Tropez.

Built in a traditional Provencal style, the interiors are modern and beautifully furnished in light cream tones, with tasteful and homely touches throughout including an open fireplace, tiled floors and white exposed beamed ceilings. Beautiful arched windows lead from the spacious, airy living room and adjacent dining room out to the sun drenched patio. Pretty gardens and deck surround the lovely swimming pool. The fully equipped kitchen leads out to a furnished, outdoor dining area with gas BBQ. A highlight is the comfortably furnished terrace, complete with pergola covered in vines for shade, a perfect spot for relaxation and gathering for afternoon tea or pre-dinner drinks.

The four, well-appointed bedrooms include a Master bedroom on the first floor with a full en-suite bathroom and dressing room, TV and pretty views of the sea from a small outside terrace. On the ground floor, you will find two guest bedrooms with an en-suite bathroom and shower room. French doors lead out to the gardens. The fourth bedroom is located on the lower floor, accessible from outside or via a staircase. The bedroom has an en-suite bathroom and also links to a separate smaller lounge with a flat screen TV.
