SEA MONKEY ,SEYCHELLES

SEA MONKEY , 4 BEDROOMS , 4 BATHROOMS

## OVERVIEW

For those looking for a luxury 4 bedroomed villa in the Seychelles, Villa Sea Monkey is the villa for you. It is built on a secluded rocky peninsula in the exclusive region of Glacis, an area known for sandy beaches, coral reefs, lush vegetation and also the place Ian Fleming was inspired to write "For Your Eyes Only". For restaurants, bars and local markets, Beau Vallon bay is nearby or the island's capital of Victoria is a 20 minute drive away.

Sea Monkey sits within landscaped, tropical grounds and from its elevated position, enjoys panoramic views over the Indian Ocean, with the background of the sea lapping on the granite rocks.

The accommodation consists of immaculate interiors with quality furnishings and stylish decor

- 4 air-conditioned double rooms, each with en-suite bathrooms and private balconies
- Two fully equipped kitchens
- Upper and lower verandah
- Infinity pool
- Outdoor Gazebo with dining area
- Large living area with dining room and bar
