FOUR SEASONS PRIVATE ISLAND OF VOAVAH ,MALDIVES

FOUR SEASONS PRIVATE ISLAND OF VOAVAH , 7 BEDROOMS , 7 BATHROOMS

## OVERVIEW

Voavah is Four Seasons Private Island situated in the heart of the Maldives. It offers the ultimate in luxury escapes on an exclusive basis.

Voavah can accommodate up to 14 adults and 8 children in 7 bedrooms and 3 childrens' rooms.

Voavah Private Island is the world's first exclusive-use UNESCO hideaway in the awe-inspiring and undisturbed Baa Atoll Biosphere Reserve. It is a 5-acre resort that offers limitless island living where no one is watching and anything is possible.

You can treat the resort as a space to connect, bond and spend captivating moments with family members and friends. Unlike many other private islands, Voavah is absolutely and exclusively yours to do as you want when you want. It is rented complete with your own private yacht, Voavah Summer. From the moment of booking, the island will be entirely yours.

Days at Voavah Private Island revolve around the double-storey Beach House and adjacent powder white sands, crystal lagoon and vibrant reef.

Guests may laze in the shady open-air lounge, play hard with kite surfing, X-jetblades, jet skis and seabobs. Dive the pristine waters, swim with reef sharks, colourful fish and turtles. Dining menu and the venue is up to you. You can dine in the Beach House, poolside, on the deck, by the shore, in the kitchen or on the yacht.

You may sink your toes into the sand while having a lovely dinner under the stars. Rejuvenate and harmonise at The Oceans of Consciousness Spa. Or hop on Voavah Summer, your private luxury yacht, and explore the territory. Visit the protected Baathala to the North, the manta hotspot Hanifaruru to the South, secluded sandbanks to the East or float West into a romantic, breathtaking Baa Atoll sunset.

At Voavah Private Island, guests can design their own experience and the opportunities are endless.

Nightly Rates include the following:

Guests may choose from three accommodation types to suit their personal preferences:

### Three Bedroom Beach Villa

Just steps from the powdery sand, with vast beach-chic interiors oozing effortless style. The villa has a massive sunbathing pool, al fresco living room and Master Suite with ocean views on three sides. The Master Suite has an attached study/children's room, while the two further bedrooms are each housed in their own separate pavilion. All are en-suite, and there are three outdoor garden showers.

### Two Bedroom Water Villa

Stilted above the fish-filled lagoon, with a master bedroom with attached study/children's room and a further separate king-size bedroom pavilion. The air-conditioned living room opens onto an al fresco living deck. There is a 17m long sunset pool, loungers and hammocks. Steps lead down into some of the atoll's clearest waters for snorkelling, turtle safaris or simply floating above the kaleidoscopic reef life. Both bedrooms are en-suite, and there are two outdoor garden showers and one powder room.

### Mezzanine Suites

The most elevated position on the island, the two Mezzanine Suites overlook the vast beach, turquoise lagoon and Biosphere Reserve beyond.

Located at either end of The Beach House's upper floor, each Suite features outdoor sea-view shower and panoramic balcony for the height of residential chic. The Mezzanine Suites flank the Loft Lounge, a lovely in-the-eaves chill zone complete with comfy seating, pool table and views that stretch forever. Just off the Lounge, the Bunk Room has beds for up to 4 children, creating a great kids' floor for larger groups.

There are few private islands to offer Voavah's level of luxury and privacy.
